

# National Association for Advancing Autism Education Privacy Statement

## Survey data

BeyondAutism, a registered charity, are collecting and processing the data in this survey on behalf of the National Association for Advancing Autism Education. The survey is being conducted through SurveyMonkey. By completing this survey, you acknowledge that the information you provide will be processed by BeyondAutism and SurveyMonkey.

## Contact detail data

If you choose to share your contact details with us, through the secondary survey, they will be used solely for the reasons you have selected. You can change your preferences at any time, or unsubscribe, by getting in touch with [admin@advancingautismeducation.org.uk](mailto:admin@advancingautismeducation.org.uk)

Your contact details will not be shared with any other third party beyond those required to deliver the services you have selected. These include BeyondAutism, who are collecting the data on behalf of the NAAAE, and 123 Reg, who operate the email system used by the NAAAE.

By providing your contact details, you acknowledge that your information will be collected by BeyondAutism and processed by 123-reg.
